DECLARATION AND POWER OF ATTORNEY OR CONTINUATION-IN-PART APPI

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name; that I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural inventors are named below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

DATA COMPRESSION SYSTEM AND METHOD

described and claimed in the specification:	
	•

	attached hereto.	as Application No.	and amended on	(if applicable).
			 disabased in my OF O	our earlier filed pendin

and that this application in part discloses and claims subject matter disclosed in my or our earlier filed pending application, Application No. 09/481,949, filed January 12, 2000. I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I do not know and do not believe that the claimed invention was ever known or used in the United States of America before my invention thereof, or patented or described in a printed publication in any foreign country before my invention thereof or more than one year prior to this application, and that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representative(s) or assign(s) more than twelve months (for a utility patent application) or six months (for a design patent application) prior to this application.

Under Title 35, U.S. Code §119, the priority benefits of the following United States provisional application(s) and/or foreign application(s) filed by me or my legal representatives or assigns are hereby claimed: U. S. Provisional Application No.: 60/115,819 filed January 14, 1999

Under Title 35, U.S. Code §120, the priority benefits of the following United States application(s) and/or PCT international application(s) designating the United States of America filed by me or my legal representatives or assigns are hereby claimed:

U. S. Application No.: 09/481,949 filed January 12, 2000, now abandoned

The following application(s) for patent or inventor's certificate on this invention were filed in countries foreign to the United States of America either (a) more than one year prior to this application, or (b) before the filing date of the abovenamed foreign priority application(s) and/or United States provisional application(s): None

I acknowledge the duty to disclose to the Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56 and, insofar as the subject matter of each of the claims of this application is not disclosed in that/those prior application(s) in the manner provided by the first paragraph of Title 35, U.S. Code §112, I acknowledge the duty to disclose information that is material to patentability as defined in Title 37, Code of Federal Regulations, §1.56 and that is material to the examination of this application, namely, information where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent, that occurred between the filing date of the prior application(s) and the national or PCT international filing date of this application. (37 CFR §1.63(e))

I hereby appoint the following as my attorney of record with full power of substitution and revocation to prosecute this application and to transact all business in the Patent Office:

Auzville Jackson Jr., Reg. No. 17,306 and Peter A. Shaddock II, Reg. No. 44,331

ALL CORRESPONDENCE IN CONNECTION WITH THIS APPLICATION SHOULD BE SENT TO:

KAUFMAN & CANOLES ONE COMMERCIAL PLACE P.O. BOX 3037 NORFOLK, VIRGINIA 23514 TELEPHONE (757) 624-3000

I hereby declare that I have reviewed and understand the contents of this Declaration, and that all statements made herein of my own knowledge a true and that all statements made on information and belief are believed to be true; and further that these statements we made with the knowledge that willful false state. In this and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
